GIRLS ONLY CAMPUS

Discover how exciting it is to be you... today and tomorrow.

THE BEST KEEPS GETTING BETTER

Girls Inc. (formerly Girls Club) is pleased to announce our 2014 - 15 before and after-school program, in partnership with the Boys Leadership Alliance. On our co-ed campuses, girls and boys participate in single sex programs that are gender specific and age appropriate.

This year, children will be challenged to think critically, ask questions and explore! Homework assistance is provided to children. (Time constraints may limit the completion of homework). National Girls Inc. Identity programs are offered to girls. Character education and leadership programs are offered to the boys participating in the program.

Our goal is to provide a safe and structured environment. We offer a structured, yet fun environment where “random dancing” and talent shows are the norm! We also host an annual speech competition and field trips to Washington DC for our older girls through our LIFT (Leadership Institute for Teeng).

Girls Inc. is committed to making STEM come to life for kids. Each week your child will participate in hands-on science experiments, meet people in STEM fields and learn that STEM can be fun! Our Fun Fridays include STEM components, teaching kids that science and math are not boring!

Camp Facilitators

Our team is comprised of trained professionals who not only have a passion for children, but the knowledge and skill-set to work with them. All facilitators are background checked and attend pre-camp training focusing on child development, creative lesson-planning and safety. Additionally, all facilitators are required to submit weekly and monthly reports highlighting activities and progress in their groups. Facilitators are CPR and First-Aid certified.

New training requirements will be implemented this school year for all facilitators.

~Developing boys into men~

Girls Inc is pleased to partner with the Boys Leadership Alliance. Young men will engage in structured programs, while having fun. The boys participate in similar life skills and character education programs that are specific to their gender, in age appropriate groups.

Registration

There is a \$25 non-refundable registration fee per child. A copy of the most recent physical examination and shot record is **required** for all participants. At registration, your child's social security card and birth certificate must verified.

Registration packets can be picked up at any of our Girls Inc. locations and are available online at www.girlsincofgreaterpen.com.

Tuition

Tuition for the program is \$25 per week (\$50 weekly for both the before and after-school programs). This fee must be paid every Friday to pre-pay for the following week. Check, money order, cash and credit card are all accepted. Failure to pay tuition can result in a suspension of services.

A daily snack is included in the fee. Free USDA breakfast and lunch is also provided daily.

Hours

All locations are open

Monday-Friday

6:00am-9:00am before-school

2:00pm-6:00pm after-school

All sites follow the school schedule and are closed when school is closed. Girls Inc is open for early dismissal days.

Transportation

Before-school sites include: Huntington, Central and Tri-Cities campuses. Transportation is provided from these sites to schools in the morning.

All sites offer transportation from schools for the after-school program. Some schools have bus stops at Girls Inc. Parents may be asked to complete a transportation form based on the request of school district.

Please note: Transportation services can be suspended for failure to pay tuition as well as any disciplinary issues or problems.

Meals provided daily

Girls Inc. offers breakfast daily for all before school participants.

Snack and dinner offered daily through the CACFP Feeding Program
